

Airborne Boys Booster
Meeting Minutes
3/5/2007

In attendance:

Missy Moon
Michelle Christian
Laura Fish
Monica Felt
Dan Osiecki
Steve & Peggy Kay
Lincoln & Vanessa Frazier
Cindy Palmer
Darrel Gwyn
Mary Beth Smallridge

--The meeting was opened with Lincoln giving his report on the scoreboard. He had printouts explaining the differences between the different choices. They varied from a one line board to a six line board, with individual palm pilots to control them. The software does all the scoring for us. The boards have the capability to have messages scrolling across them. Lincoln is getting a quote on the basic packages and will report back to us. He is also looking into how the system can be upgraded if we need to start small. Lincoln will e-mail us the proposals of

-We discussed that the system could be rented out to reimburse the booster club the money spent. This can potentially be a very good money maker, but it also proposed the question of how would this be done since we are a non profit organization. Also, who would go with the system to set it up and tear it down?

-We discussed what would happen if it were damaged while renting it out. Does the gym insurance cover it? All this will have to be looked into.

-----A motion was made by Laura to use the money we have to purchase a scoring system in the future (when we raise enough money). The motion was second by numerous people and everyone else was in favor.

--Other ideas to spend future money made:

-donate money for the banners that hang in the gym for the state and regional meets.

-Buying foam for the pit once we expand.

-Dan Osiecki suggested that for the home meets next year that we keep a log of the hours parents spend working. There would be a figure decided upon per hour worked that that family would get back to use towards the fees that we pay. This is supposed to be an incentive to help work at the meets. Danny would eventually like to have a large meet that we would require us to rent a place to have it, therefore, we would need a lot of parent involvement. This is something to work toward.

--Other fundraising ideas are:

-Salsarita's

-Canopy car wash- Ann Marie needs to check with Canopy about the letter and Laura will take care of the certificates to sell, raffle, etc.

-Chick Fil A night- Vanessa and Lincoln are working on this one.

-Krispy Kreme donuts; Mary Beth is checking on this.

-Mutt's – We think that the kids work bussing table's here- Monica is checking on this.

--The Lake Murray information is in everyone's box. The session times have changed. Laura sent out an e-mail regarding the changes. Danny says this is going to be a very good meet. They are expecting 600 gymnasts.

--The State information is out and in everyone's box. There is hotel information on them. Danny expects that boys competition to be on Saturday March 24th. He won't get the final session times until March 14-15th.

--**Danny was engaged** a few weeks ago and the wedding is expected to be March of **2008!!!** Congrats!!

--The next meeting will be Thursday, April 12th at 6PM.

--With no other business the meeting was ajurned.
